Rovio To Cut 260 Jobs As The Angry Birds Franchise Becomes Irrelevant

Posted Aug 26, 2015 by [Romain Dillet](#) (@romaindillet)

4,459
SHARES

It looks like Angry Birds maker [Rovio](#) is having some troubles to pay the bills. The Finnish company is about to cut 260 jobs after reducing its workforce by [110 employees](#) in October 2014. At the end of 2013, the company had [800 employees](#) in total.

This news comes as a surprise as Rovio's latest game is a big success. Angry Birds 2 has been downloaded nearly 50 million times in just a month, topping the charts...

- In the U.S. (at least for a couple of weeks), one of the main App Store markets:

Nokia **ex**-CEO Olli-Pekka
Kallasvuo called the iPhone
a "niche" product.

After some years

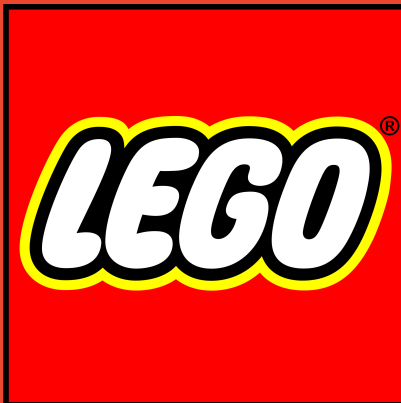

The image features a solid blue background with a network of black, spiderweb-like cracks radiating from a central point in the upper right quadrant. Overlaid on this background is the Nokia logo and its tagline in white. The logo is a bold, sans-serif typeface, and the tagline is in a lighter, thinner sans-serif font. The text is positioned in the lower half of the frame, partially obscured by the cracks.

Cashless Sweden

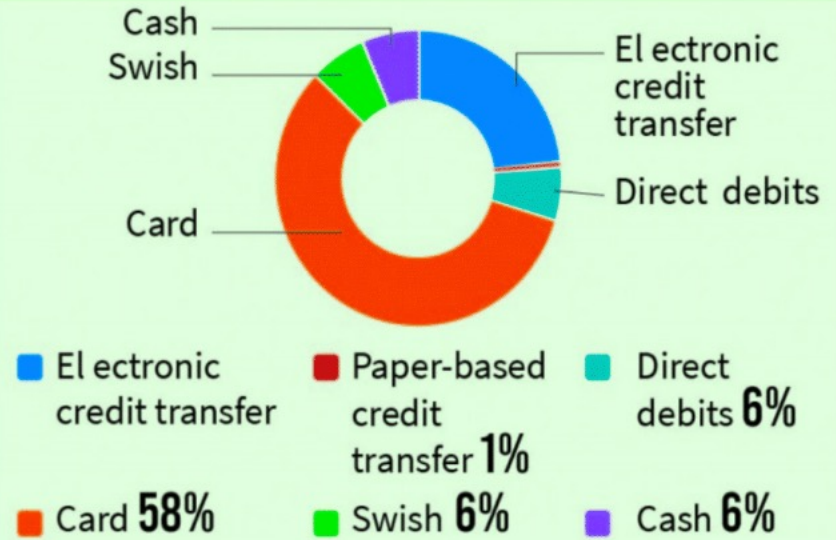

Lessons from the North: How Sweden is going cashless in 2023

The growing use of electronic payments and the dwindling use of cash in Sweden do not tell the whole story of how the Nordic country is on the verge of going cashless. There is actually an interesting law that is at play in the whole process

Many Swedish shops and restaurants now only accept card or mobile payments. Photo: Collected
